

# THE HAMLIN HERALD

IN 36th YEAR—EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS FRIDAY, JUNE 6, 1941

NUMBER 32

## Base Ball Is Starting Oilers Still Winning

Last Sunday Hamlin City Park was used for the first time in the General Crude Oilers regular 1941 series of games. However, some time ago they played the House of David team, between showers.

The game last Sunday was with the Baird Coyotes, and the Oilers outran the Baird Birds (a better name) than the Coyotes. But the score was close, 5 to 4.

Listed in the Oilers line-up were: Bartlett, ss; J. McCoy, 3b; Weaver, 2b; Ford, cf; Rowland, 1b; Bradford, c; E. McCoy, lf; Day, lf; Black rf; and Courtney, p.

## Army Boys Play Here Sunday Afternoon at 3

General Crude Oilers will take on a big drawing card here this Sunday. Camp Wolters is sending up a bunch of hot soldiers to show our Oilers some new tactics. A big crowd is expected to see this game. Hamlin Oilers are ranked among the best in West Texas. They are independent sluggers who seldom get counted out. Most of the players are old hands in the same line-up and know one another's signals clear across the field. The team that counts more rounds than they is called good. But sometimes a lucky hit will down the best of winner teams.

Don't you think it a fine idea that here in America army men can have a little "ease" and go out and enjoy a few things of life while actually practicing the game of war? Base ball is a fine, clean game, and so American. So when you go down to see the Army play our favorite Oilers, give the visitors a hand from every point of view. It would not hurt the home boys even if the Soldiers beat 'em to the bases. Who deserves to beat Hamlin more than a bunch of soldiers, anyway? Sunday, June 8, at 3:00 P. M., Hamlin City Park.

## NOTICE

The City Council will hold a public hearing, at the City Hall, 8:00 P. M., June 17, 1941, on the Budget of the City of Hamlin, Texas, for the fiscal year ending April 30, 1942.

J. B. EAKIN, City Secretary

Mrs. Carl Phenix and daughter Hortense, and Miss Avaleen Murphree returned Tuesday from Bethany, Oklahoma, where Mrs. Phenix and daughter visited her sisters and Miss Murphree attended the Commencement exercises of Bethany-Peniel College.

Dr. Robert H. Johnson of Dallas City-County Hospital, came home Monday for a two weeks' vacation. He is doing some fine interne work in Dallas, but the Army will claim him by the end of the year.

## Is Dairying Bringing You Enough Money?

Mr. C. E. Bowles, Co-operative Marketing Specialist of the Extension Service of A. & M. College, and Mr. W. J. McAnelly, president of the Houston Bank for Co-operatives, will hold a meeting at the High school auditorium in Anson, Monday night, June 9, at 7:30 o'clock, for the purpose of discussing the possibility of a cheese factory for Jones County.

Mr. C. T. Marth, superintendent, and Mr. E. E. Wade, plant manager of the Loraine, Mitchell County, Co-operative Association Cheese Plant, will be present to explain their experiences and success with a similar plant. Mr. Marth and Mr. Wade will also bring with them several farmer-patrons of their plant who will explain what the Loraine plant has meant to them.

One of our biggest problems in the past has been a profitable market for our dairy products. You owe it to yourself and to your neighbor to attend this meeting and help in working out a plan for a more profitable market for our milk and dairy products, if you find the cheese factory idea to be a practical and feasible solution to our dairy products problem.

Remember the date, Monday night, June 9. Remember the hour, 7:30 P. M. Remember the place, Anson High school auditorium. Remember this, bring your wife with you.

Very truly yours,  
FLOYD LYNCH  
Jones County Agricultural Agent  
GLADYS MARTIN  
Home Demonstration Agent

## A BABY BOY

Mrs. G. P. Odom is announcing the birth of a son, Guy Presley Odom, at the Stamford Hospital, Saturday, May 31, weight 7 pounds.

The baby's father, the late G. P. Odom who had served as operator and agent for the Orient and Santa Fe Railway in Hamlin for many years died Thursday, April 24, 1941, in a San Angelo hospital.

The many friends of the Odoms will be happy to learn Mrs. Odom and son are doing nicely and will soon be able to return to their home in Hamlin.

Mrs. W. F. Martin and son, W. F. Jr., have returned to their ranch home northwest of Hamlin, from Austin where W. F. is a student in the law department of the University of Texas. After a short vacation W. F. will return to the University to do work this summer, and Mrs. Martin will remain here to look after her ranching interests. Mrs. Martin and her son and her sister Mrs. Ada Hartsue visited in Hamlin last week.

Mr. and Mrs. O. G. Ebert and their sister, Mrs. F. A. Peel were notified Friday of last week that their brother, G. W. Whatley of Calvert, had died. They left immediately for Calvert and returned Monday.

## Buck Koonce Killed In Train: Accident

Saturday, May 31, the funeral and burial of W. N. (Buck) Koonce, took place in Abilene.

Buck Koonce and his family resided many years in the Hamlin community and in Hamlin proper. He had not lived here for some time but often returned with his wife and children from Abilene, where they resided, after moving from Hamlin.

Mr. Koonce was a fireman on the Santa Fe out of Amarillo, with headquarters in Pampa, and Clinton, Oklahoma. It was at Clinton he was servicing an engine and by some means his foot slipped on the engine gang plank and he fell. Wet shoes perhaps caused the fall. He lived but a short while after the accident.

Survivors are his wife, daughter, Frances and one son, Edwin of Sweetwater and his father, B. F. Koonce of Callahan, and two sisters and one brother.

Buck Koonce will be remembered in Hamlin as a big stout, jolly fellow. While in Hamlin he engaged in various kinds of business, including auto sales, garage service. In Pampa he was connected with the law enforcement department, either in the police or with the sheriff's office. He was 48 years of age.

## Final Date Given For Making Application For Cotton Stamps

The Washington office has designated June 14 as the final date for filing applications for cotton stamps in connection with the 1941 agricultural conservation program. All producers who have not made application for these stamps are requested to take advantage of this opportunity offered them for further reducing their cotton acreage below their 1940 plantings or their 1941 allotment, whichever is smaller. In return for making this reduction, the Surplus Marketing Administration will pay 10 cents per pound times the normal yield established for the farm in 1941. Such payment will be limited to \$25.00 per person per farm.

## Anson to Open Park And Swimming Pool

Anson, June 2—Hamlin has been invited to name a sponsor for the formal opening of the sixty acre park and swimming pool here on Tuesday night, June 17. Miss Hamlin will be guest of the city and Chamber of Commerce at a tea given in the home of Mrs. Murray Hudson on Tuesday afternoon late, and will participate in a review at the swimming pool and will be guest at a dance to be given in honor of the sponsors at Pioneer Hall after the review.

Opening program will begin at 7 P. M. The park contains a nine hole grass green golf course, rock bath house, rock golf club building a swimming pool 70x140 feet, wading pool, band shell, lighted softball field, picnic units, barbecue pits, open air dance floor and Pioneer Hall, home of the Cowboys' Christmas Ball.

Misses Ethel and Clonelle Harris returned Monday to Dallas after a two weeks' visit with their parents, Mr. and Mrs. R. L. Harris. They were accompanied by their mother, Mrs. Harris and sister, Mrs. James Steed and daughter Marjorie Nell Steed for a short visit.

John F. Green Jr., came last Saturday for a short vacation from State University work. He is now ready to start his law studies. John was elected president of the Sigma Phi Epsilon, a leading fraternity.

J. G. Ezell of Globe, Arizona, is here to spend several weeks with his brother, J. W. Ezell and others. Mr. Ezell would like to recover his glasses and case lost since coming to Hamlin. If you know of a stray red leather case and glasses, tell the Bank.

Miss Mary Muncy returned on Thursday of last week from a five weeks' visit with her brother, William T. Muncy, at Fresno, Calif.

## Wheat Marketing Quotas Carry Here By A Big Majority

Jones County wheat growers voted almost unanimously in favor of wheat marketing quotas on the 1941 crop in the referendum conducted Saturday, May 31. As a result of this referendum, 97.2 per cent of those voting favored wheat marketing quotas for 1941. The national vote was approximately 80 per cent in favor of the marketing quotas. The wheat marketing quotas are applicable only to the farms which are overplanted in 1941. Each overplanted producer will be required to pay a tax equal to approximately one-half of the loan value of his excess acreage. The producer who has planted within his acreage allotment can sell all the wheat he produces, tax free or enter this wheat under the government loan. The loan rate has not been set, but will likely be from 92 to 95 cents per bushel.

We are quoting below a summary of the Jones County election showing the results in each of the 7 boxes after the challenged ballots and ballots received through the mail were considered and tabulated.

Name	Yes	No	Tot.
Anson	14	0	14
Hamlin	28	1	29
Stamford	31	2	33

## Brother Hamlin Man Died In Chico, Calif.

A message came to R. L. Harris on Monday that his brother, J. O. had died Sunday, June 1, at his home in Chico, California.

J. O. Harris was one of the pioneers of Jones County, age 70 years, 4 months and 23 days.

In early days of Hamlin, Mr. Harris was an assistant in various businesses in Hamlin; mostly in lumber yards.

He moved to California in March 1911. He was in the employment of the Diamond Match Lumber Co. till his health failed.

He is survived by two sons, Wallace and James Harris of Chico, and two brothers, D. M. Harris and R. L. Harris, and two sisters, Mrs. J. W. Gay and Mrs. E. A. Isbill, all of Hamlin.

## Santa Fe Company Orders More Cars

An order for 2,000 fifty-ton box cars was placed today by the Santa Fe Railway Company with the Pullman-Standard Car Manufacturing Company. The cars will be 40 feet six inches in length and of steel construction. They will be built at the Michigan City plant of the car manufacturers.

The new order is in addition to the 1700 freight cars ordered by President Edward J. Engel last April, when purchase of another 5400 horsepower Diesel-electric freight locomotive and 22 stainless steel passenger cars was announced.

## METHODIST CHURCH JAMES E. HARRELL, Pastor

## A CALL ON TEXAS CITIZENS

Austin, Texas  
June 2, 1941

Dear Mr. Editor:

Following the President's talk on Tuesday, I have come to the conclusion that it is my duty to call on the citizens of Texas to double their efforts to aid America, and we must have an all-out purchase of defense bonds and savings stamps.

We are going to have a big bill to pay in order to protect this land we love so well—and it will be worth every cent it costs to know that our country and those we love are safe. And when I stop to think that our Government thought far enough ahead to make plans to borrow money from us that it could pay back with interest, I swell with pride. The United States Government could have just imposed higher and higher taxes on us—money to be paid in and nothing received in return but protection. Protection would have been a lot, but instead we are lending our money and will get it back with interest. When you buy one of these bonds, you are buying confidence in your country, your family, your neighbor and yourself. You are making money for yourself, and, by lending it to the Government, you are making it work for your country.

I could think of no more fitting memorial to those who gave their lives in the last war than to ask that all Texans do their bit now towards preparing defenses which we hope will protect us and save the lives of our native sons.

Sincerely yours,

FRANK SCHOFIELD  
State Administrator  
Defense Savings Staff of Texas

P. S. I wish you would get this message to your people, and I will leave the method to you. You may even publish this letter, if you so desire.

## Anson Is Preparing For Entertainment

Anson is opening their swimming pool officially June 17, but the pool has already been opened for swimming and each Tuesday and Tuesday night has been designated as Hamlin night. Each Wednesday is ladies' night, with ladies admitted to the pool free when accompanied by one paid escort.

First rodeo of the season will be held Saturday, June 14, at the new rodeo grounds in east Anson. The grandstand is practically completed and lights are being installed. Arena chutes, and lots were finished last week.

The Anson Park contains a nine hole grass green golf course, putting greens, rock golf club house, and rock bath houses, swimming pool 70x140 feet, lighted softball field with grandstand, open air dance floor, picnic units and barbecue pits and Pioneer Hall.

Dr. and Mrs. Carl Rister, of the State University of Oklahoma, were visitors in the home of their parents, Mr. and Mrs. M. P. May, over the week end. Dr. Rister made the graduation address at the commencement exercises of Hardin-Simmons University, the past Monday.

Guy Wilson enjoyed a short visit at home before returning to N. T. S. T. C. at Denton to resume his college work as a senior. Guy will graduate in August, having completed work for his degree in 2 1-2 yrs.

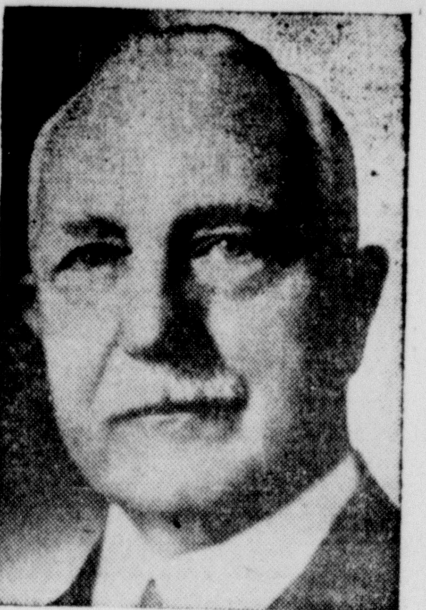

Mrs. J. J. Hatfield of El Paso, came over the past week end to spend some weeks with her brother, S. D. McMahon and sister-in-law, Mrs. J. B. McMahon.

Mrs. Clifford R. Reynolds went to Denton last week to bring Clifford, Jr. home from N. T. S. T. C. Clifford Jr. returned to Denton Wednesday to resume studies in summer school.

Miss Ethel Wainscott is at home from her school at Perryton, Texas. She is entering the Denton Teachers College for special summer school work.

It is your loss if you do not take the HERALD.

## Radio's Most Unique Studios Texas Product

G. B. DEALEY.

Attention of the radio world is focused upon Dallas and Texas by the announcement of G. B. Dealey, Dallas publisher, that the new studios for WFAA and KGKO, most unique and unusual radio facilities in the United States will be officially opened Monday, June 23. The studios are in a penthouse atop the Santa Fe Building, Dallas, and present the most revolutionary acoustical development known to radio and sound engineering. Mr. Dealey is chairman of the board of A. H. Belo Corporation, publishers of The Dallas Morning News and owners of Texas radio stations WFAA and KGKO. The opening of the new studios will be celebrated by a national radiobroadcast Saturday, June 21, to be participated in by radio "big wigs" and famous stars of radio, screen and stage. The studios are Texas produced.

## Home-Making Girls in Action

The Home-making girls who are taking tenth month work this summer had their first meeting Wednesday, May 28. Plans were made for the projects to be done during the summer months. We also planned an all-day picnic at Abilene State Park the following Wednesday.

The group elected officers, which are as follows: Phala Davis, president; Inez Joiner, vice-president; Margaret Sellers, secretary; Joan Culbertson, reporter.

## Speech Recital

Mrs. Heflin Miller will present her pupils in recital Fri. evening, June 6th, at the High school auditorium. The public is invited to attend at 8:15 P. M.

## NEXT IS COTTON STAMP PLAN

Merchants who sell cotton goods, are not going to let merchants who sell foods get ahead of them.

You see in the multiplicity of schemes to hand out aid to folks, there is also a system of disbursing clothing in various amounts, in the same order as foods or "surplus commodities" have been dealt out before the Orange and Blue Stamps were given instead.

A considerable bit of goods are going free to bolster those who are considered recipients of aid. Most of this clothing is made of cotton hence there is a movement on now to distribute Cotton Stamps in lieu of the actual goods. Then the receiver will take his cotton stamp and buy such material or ready-made goods as the plan set up.

Here is what we started out to tell:

"The Cotton Stamp program will be discussed by a representative of the Surplus Marketing Association and by Miss Maurine Hearn, district agent of the Extension Service at a meeting June 12 at 2:30 in the district court room here in Anson.

"The chairman of the Land Use Planning committee will have charge of the meeting, and all merchants selling cotton goods of any kind are urged to be present. The public is invited to the meeting."

Floyd Lynch, County Agent

Mr. and Mrs. J. P. Hines of Burleson, Johnson, Co., are spending several weeks with their sons, Johnnie, Evie and Earl Hines, and families. A part of the time will also be spent with their daughter, Mrs. Eula Scifers at Aspermont. They were accompanied by a granddaughter, Miss Lottie Bell Hines of Burleson.

### Who Will Be Senator?

—Talk is warming up as to who will be elected senator to succeed the late Morris Sheppard.

—There are about 30 in the race, too many to be considered.

—It is quite fair, however, to assume that there are at least four out in the lead as far as prominence is concerned.

—The four (picking them up from the jumble), are Dies, Mann, Johnson and O'Daniel. In the vast number not mentioned there may perhaps be several men who would serve better than either of those mentioned.

—It is quite unfair to put out guess work dope as to who is leading. Who can have a peep within a mile of the facts?

—It all depends on who is guessing. Certainly each fellow would have his guess colored by his own favorite. People are generally narrow in their guesses, because they most generally guess according to the way they wish.

—Again we take the liberty to

analyze the situation.

—Let us assume that one of FOUR will be chosen. And mind you a mere plurality of one vote for any candidate gets the office.

—Suppose Attorney General Mann is elected, then Governor O'Daniel will have the duty to appoint a new attorney general. Now that would increase the governor's power in Texas. Mann is the Man in the right place and should serve out his office term. So Mann is not the man. Now how about Dies? Everybody knows how well and how important he has served on THE FIFTH COL-UMN investigation committee. He has the biggest part of his job to do yet. Can we afford to take him out and encourage the dirty birds to thrive? That eliminates Mr. Dies. Now Mr. O'Daniel has pledged himself to a big job in Texas and to pick him out and shift things about would not be satisfactory. We would have some compensation if the governor should be elected.

—Lieutenant Governor Coke Stephenson would make us a good governor, but his service would be only on the tail end of what has been started. So after all, it would not be best to pick Mr. O'Daniel. Now that brings us down to one of the big four . . . Mr. Lyndon Johnson a vigorous, young competent congressman, who has become acquainted with every inch of "what it is all about". To pick him, would narrow down the effect of an official change to his district. Another congressman could be chosen with safety by the people of the 10th district. No disturbance would be circulating if he should be elected.

—This job of picking a new man for senator is so important, none of

us should let small things interfere in our thinking and especially in our vote. There are several good men, and if a good one is not chosen it will be because voters did not analyze the situation.

—T &amp; T—

### Unlimited National Emergency

—Nobody in this United States can understand how much "Unlimited" means in this nation of more than 130 million liberty loving people.

—Nobody knows our ability, our willingness, our capacity for doing things. But the President has called for unlimited efforts by the people to help stop a terrible situation now rampant in the world.

—In Germany an "unlimited" effort has been raging for more than SEVEN full years. Men, women and children, of all stations and ages of life are into it, either willingly, anxiously or by reason of force or fear. Their products are bearing fruits of slaughter.

Americans are called upon to get into every kind of "harness" that will help pull the world out from under Hitlerism, be it what it may.

—You ask yourself, "What can I do?" If even half of the 130 millions get in and go unlimited, even for one or two years, America will catch up with Germany, and soon surpass her. But as each day passes, more and more millions of laborers in Europe join Germany in war-like production, and women and girls are included, according to state ments of the Germans themselves. So you ask your self, "What can I do?"

—If somebody asks you to do this or that, something not as per plan or design from our government leaders, better go slow. For example that idea of gathering scrap iron for the British, was just some burning notion disconnected from definite help. England does not want old rusty scrap iron, she needs and must have bright shiny, finished, modern machines. She has no time to haphazard old iron across the seas, melt it down and convert it into implements of war. But suppose the Red Cross, an internationally known organization wants women to knit, sew, gather or patch clothing for our English cousins who are going to suffer, why, then you have a chance. It is your opportunity to lend a hand. Maybe the time might come when women in America will have to do men's work in fields, factories, munitions plants to help win and keep our freedom. But let's hope not.

—Each of US can help in a thousand ways . . . first by building up a spirit of collaboration, co-operation, unity of action by every thought, word and act.

—Pouting and pouting, dragging, and grumbling against our leaders are but helps to Hitler & Co. Not everything can possibly go to suit one, not even your own words and deeds are entirely to your fancy: then why kick and growl about what those do who have on them the weight of responsibility?

—America is NOT in war YET. Nobody has even scratched an American skin on purpose to make us actually want to "shoot", but clearly to all, it would seem, America is in the middle of a world of war and nobody expects this nation to keep out of it, especially as long as Germany is taking and planning to take everything not yet in her hands. So "defense" is not the proper word any more. It now means that our resources, ingenuity and determination must be marshaled to match and excel that of Germany and all others who tie up with her.

—There is no half-way ground any more. Half measures will not be enough. America must be there first with more than is needed. Once the United States is on the way, there will be no retreats.

—Our President has declared an "unlimited national emergency" and more than a hundred million people will gladly say, "Here am I, send me." Yes, it will cost but anything spent to save the ideals of liberty and Christianity will be cheap.

—Here is another thing, it will be a sad day in America when we must feel that we must sit in dead silence on public issues. In this country, no Gestapo will get us for talking. And still one is not compelled to express himself to show which side he is on but yet talking is a mighty good thing to keep spirits up. Enthusiasm counts even in a war-like atmosphere.

D. Freedman left Sunday for Washington to visit Mrs. Freedman and the sons. Mr. Freedman is from Baltimore to Texas and while away he will be in several of the large cities. Mr. Freedman promises to keep his eyes open while in the crowded places and when he comes back he promises a report.

## BAPTIST CHURCH

There are four classes of church goers. First, there is the spasmodic church goer. He goes when he feels like it, but doesn't often feel like it. Second, there is the periodic church goer. He goes to church on Christmas, Easter, and on special days, but is afraid to get the habit of going regularly. Third, there is the occasional church goer. He attends when nothing prevents, but is satisfied to let any excuse keep him away. Fourth, there is the loyal church goer. He allows no excuse to keep him away from church that would not keep him away from business.

We need these loyal church goers in our churches. We have some, but need more. The church will never be the influence it should be in the community until more people feel a personal responsibility for her welfare.

The First Baptist Church extends a welcome to all who may be in need of a church home. Come Sunday and try us out.

H. E. EAST, Pastor.

Mrs. J. F. Taylor returned Friday from Fort Worth where she had been for several weeks visiting her son, Attorney Frank Taylor and family.

Mr. and Mrs. Gene Rogers and Mr. Joe Watt, of Quanah, were here Sunday to visit Miss Mary Beth Moody.

## NAZARENE CHURCH

There will be a special service at our church Sunday.

Inspirational, informational and interesting. That's what you will find Sunday night at 8:15 when you hear Prof. E. C. Hall and his Male Quartet of Bethany-Peniel College, Bethany, Oklahoma. If you are interested in the education of yourself, and of your children, you will appreciate the high quality of work done by this school. The Quartet is a sample of the product of Bethany-Peniel College.

Come, See, hear and enjoy the service.

We welcome you to all of our services at any and all times.

DAN D. JONES, Pastor

## CHURCH OF CHRIST

(John B. White)

The leaders of the church have asked me to do, during the summer, the teaching and as much of the work as possible that our Minister usually does. I am happy to have this opportunity to pursue my profession of teaching by applying it to Bible classes. I earnestly request the help and prayers of every member of the congregation. Let us all see that the absence of our Minister does not necessitate a loss of our progress. Rather, let us give even greater efforts that he may find us all strengthened upon his return. Why not plan now to be present at every service of the church during these months? These services will include the following.

Sunday—  
10 A. M. Bible study.  
11 A. M. Assembly.  
11:50 A. M. Communion.  
7:30 P. M. Young People's class.  
8:00 P. M. evening services.  
Monday afternoon, 3 P. M., Ladies Bible class.  
Wednesday 8:00 P. M. Mid-week service.  
Thursday 8:00 P. M. Young Men's training class.

### How To Eat To Fight Told By Food Expert

Answering President Roosevelt's appeal for improved diet, Albertine Berry of Dallas, home economics director for Lone Star Gas System and home service chairman for American Gas Association, suggests ways by which foods and cooking advisors can strengthen a fighting nation. To obtain high food value menus at minimum cost she urges education on wise planning, proper buying of foods, purchasing from reliable food sources, protection of food by proper storage, and what foods are available and the best ways of preparing them.

She listed the following as a typical high food value menu of comparatively low cost:

Breakfast—baked pears, fried mush, margarine, cane syrup, hot milk, coffee, cream, sugar.

Lunch—cream potato soup, raw carrots, crisp toast, margarine, bread pudding with raisins.

Dinner—stew of beef, potatoes, carrots and onions; cabbage slaw topped with dressing of salt, sugar, milk and vinegar; whole wheat bread, margarine, fruit tapioca, milk to drink.

Miss Berry said the food dollar should be divided into five parts, with 15 cents for milk and cheese; 25 cents for vegetables and fruits; 20 cents for flour, wheat, corn meal, oats, rice, grits, bread and other grain foods; 20 cents for butter, lard, other fats, and sugar and molasses, and 20 cents for meat, fish and eggs. For a family with children the milk and cheese allotment should be increased 10 cents on the dollar, she said.

"Home service workers can cooperate with local, county, state and Federal agencies in promoting better health through proper diet," she explained. "Any work that will build and keep the health of children—our nation of the future—is to be particularly recommended. Home service workers can help in the emergency by (1) dispensing information on food and nutrition; (2) promotion of the use of surplus commodities by families needing and eligible to receive them; (3) assisting in menu planning for meals cooked and served in school; and, (4) interpreting home economics services to all income levels, especially for families of low incomes."

The Rev. and Mrs. James E. Harrell and daughter, Miss Pauline, are visiting his mother in Breckenridge and other relatives in Young county this week.

## Santa Fe Road Starts Wheat Cars Moving

With the first car of the new 1941 wheat crop shipped from Crowell, the movement of wheat from the Texas area was expected to increase over the week-end and be in full swing by the middle of the month, officials of the Santa Fe Railroad announced today.

Railway officials anticipate one of the heaviest movements from the wheat belt states since the record crop of 1931 and are busy organizing rolling equipment and power to handle the heavy task.

Government officials, grainmen and shippers are co-operating with the railways in an effort to speed handling so that there will be no lack of cars. The government leaders have appealed to farmers and shippers to refrain from using cars for storage. They point out the unusually heavy wheat crop coupled with national defense orders presents a problem which can best be handled through complete co-ordination of all forces interested in perfect handling.

They also urge wheat growers to avail themselves of as much farm storage as possible so the maximum facility will prevail to move the bumper crop.

While the Texas wheat has an

earlier start than the crop in New Mexico, Oklahoma and Kansas, the movement in those states is expected to start about the middle of June.

## Famous Evangelist Is Coming To Abilene

Abilene, Texas — Raymond T. Richey, widely-known evangelist of Houston, is announced to open a two weeks' tent revival in Abilene Thursday night, June 5. The meeting is described in red, white and blue posters as a "patriotic revival." A special appeal will be made to the men at Camp Barkeley.

The Abilene campaign will be at Third and Sycamore streets, midtown, in a stone's throw of the highway which leads to Camp Barkeley. It will be tabernacled in a huge red white and blue tent. The patriotic theme will prevail throughout the campaign.

The mammoth red, white and blue big top, said to be the only one of the kind in the country, and Mr. Richey's own idea, was recently used for a similar revival at Starke, Fla., a few miles from Camp Blanding. The Starke meeting is said to have had the endorsement of several of the chaplains serving at Camp Blanding. Just ahead of that revival, Evangelist Richey conducted a meet-

ing at Key West, with a special appeal of the men at the Naval Station there.

Raymond T. Richey served as camp pastor during the first World War. He came into wide public notice about 20 years ago because of his large gospel of healing revivals. He has conducted major revival campaigns in Dallas, Fort Worth, Houston, Galveston, Beaumont and other Texas cities, and has spanned the country with the Gospel message a score of times. He attracts large audiences.

Music will be made a big feature in the Abilene meeting by Mr. and Mrs. Ira F. Stanphill, of Springfield, Mo., vocalists and instrumentalists. Mr. Stanphill is a well-known gospel song writer and conductor. Services will be held daily at 10 A. M. and 7:45 P. M. Sunday services will be at 2:45 and 7:45 P. M.

# 6 CARS DIED IN OVERHEATED DEATH VALLEY TO PROVE THAT YOURS CAN LIVE LONG

New Oil a Life-Giver. 5-quart fill—None Added—Lasted all of 13,398 Miles....

more than Twice the mileage averaged by 5 other big-name oils in fiendish Destruction Test...Impartial...CERTIFIED

THIRST killed gold-feverish Forty-Niners in Death Valley. You can stand there today on our Hemisphere's bottom, 279 feet below sea level. And some of the worst heat on U. S. Weather Bureau records will be drying you up.

...America's hotspot!...where 6 identical everyday cars scorched along, testing 6 different motor oils, till 6 new engines were junk. Every condition was the same for all. Qualified authorities eyed every move. Speed: 57 miles an hour for all. The Referee had bought 5 of the oils right off the market; millions know their names well. The other oil was decidedly new. And this new oil that authentically delivered more than twice the mileage averaged by the others is named

### CONOCO N<sup>th</sup> MOTOR OIL —Now on Sale here for Your Car

How could one fill of this popular-priced Conoco N<sup>th</sup> oil keep lasting—without one added drop—for an official total of 13,398.8 miles? How could Conoco N<sup>th</sup> oil outlast them all by 5,683 miles or more, even outlasting one "rival" by 8,268 miles!...Certified.

### New Synthetic in Conoco N<sup>th</sup>

You know of vitamin synthetics...man-made...replacing Nature's life-givers sacrificed in some modern food processing. Similarly, the latest refining methods steal life-giving elements from motor oils. But more than making up for that today—in popular-

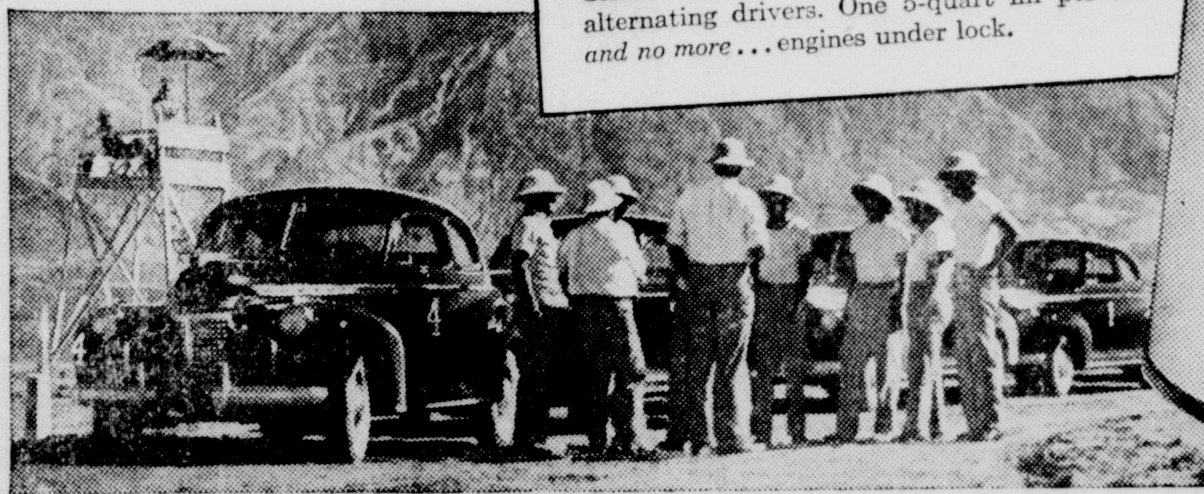

priced Conoco N<sup>th</sup> oil—is Thialkene inhibitor...man-made. (Conoco Patent 2,218,132.) It inhibits or checks the effect of foul leftovers created by the normal engine explosions. Thus Conoco N<sup>th</sup> stays more like its own good self...helps the engine keep fit—good way to save quarts.

### A triumph matching famed CONOCO OIL-PLATING

Another wondrous synthetic—long in use under the famed Germ Processed oil patent—still makes N<sup>th</sup> oil give your engine OIL-PLATING...lubricant that can't all quickly drain down from inner parts. Instead, it's able to stay plated up...on guard against wear in advance, while you are using Conoco N<sup>th</sup> oil. In addition you get the life-giving aid that foiled Death Valley...that eclipsed other oils tested...that made one 5-quart fill of new Conoco N<sup>th</sup> last 13,398 miles. Certified.

That's like a mad extreme—beyond the utmost allowed by authorities on the

**IMPARTIAL** The 6 new cars were broken-in alike, after engines had been taken apart for the Referee, to check uniformity. All cars tuned alike. Same desert route for all. Handling evened up by alternating drivers. One 5-quart fill per car and no more...engines under lock.

**CERTIFIED:** I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

## Mr. Roosevelt Asks Johnson to Stay In Texas Campaign

Austin, June 1.—President Roosevelt today requested Congressman Lyndon Johnson to continue laying before Texas people in the senatorial campaign the vital issues now facing this country.

The President's telegram was in response to one sent him by the congressman, offering to return to Washington at once if the President needed him.

The President's telegram said: "I have your telegram of May thirty-first in which you say that I as your Commander in Chief need you that you will come at once. I have declared a national emergency because the seriousness of the present emergency warrants it.

"However we should not lose sight of our ultimate objective which is

the defense of our democratic way of life.

"The people of Texas by taking part of the election on June twenty-eighth of a United States Senator thereby present a convincing demonstration of our democratic process at work. In my opinion the people of Texas are entitled to be informed of the issues by the candidates for that office and I can think of no better way to present the issues than through personal appearances by all the candidates. Therefore I suggest that you stay in Texas during the campaign unless conditions change so radically that your presence in Washington is necessary. If that happens I will send for you. Please return immediately after election.

FRANKLIN D. ROOSEVELT

And there was the Scotchman who bought only one spur. He figured if one side of the horse would go the other would surely follow!

## Boys Are Wanted For The U. S. Marines

My Dear Editor:

The following news item is ready for immediate release. It would be greatly appreciated if you would consider publishing it in your newspaper.

Very truly yours,  
J. D. O'Leary,  
Major, U. S. Marine Corps, Dallas

Although the U. S. Marines are offering young men an opportunity to enlist in the Marine Corps Reserve for the duration of the national emergency only, the larger percentage of them are enlisting in the regular Marine Corps for a period of four years, Major J. D. O'Leary, Recruiting Chief of the Dallas Recruiting District, stated today. Since the lowering of the minimum age limit from 18 to 17 years

# the ROAD AHEAD

Old Man Texas is today looking ahead and planning.

Beside the great farming and ranching country which Texans have built, he sees a new industrial empire here.

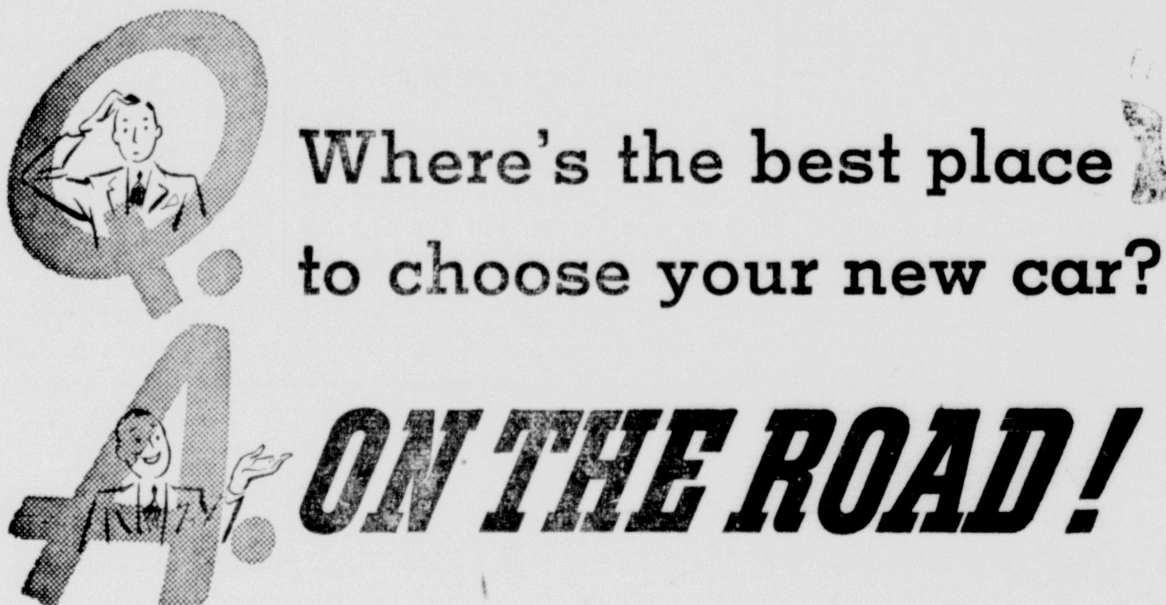

Already the start has been made. Some industries, such as petroleum, are now showing what can be done to utilize Texas' vast natural resources. Today this industry refines with Texas labor over four-fifths as much oil as the State produces. Its

products make up nearly one-half of all Texas manufacturing. Altogether petroleum provides the living for almost one-sixth of our people.

But this is only a beginning.

Texas has many other raw materials, unexceeded by any other State. Texas has in oil and gas the cheap and dependable fuel supply essential to industry. Texas is the gateway to Latin America, our new foreign market.

Each new industry means more jobs. It makes added tax values for our State and local governments, bigger payrolls for our workers, and greater prosperity for you and every other Texan.

Where's the best place  
to choose your new car?

**ON THE ROAD!**

WE'LL MATCH the "showroom value" of the Ford with anyone... but if you want to know how great a car this is, take one out on the road!

**TEST THE PERFORMANCE...**  
**IN ACTION.** There never was another low price engine like this 90 horsepower Ford V-8. Take it out in traffic—then step out on the open road—challenge the toughest hills. Draw your own conclusions!

**TEST THE RIDE... IN ACTION.** Ride on the pavement, then ride the roughest road you know. You'll find the new Ford ride is the kind of ride you like. Smooth where the going's good. Soft and steady over the bumps.

**TEST THE ROOM... IN ACTION.** Measurements show

this Ford greatest in its whole field in actual passenger space. A ride will show what this means. Bigness counts and here it is!

**TEST THE VALUE... IN ACTION.** Stop with the biggest hydraulic brakes anywhere near the price. Rest your toe on the pedal of a fine-car type of semi-centrifugal clutch. Flick through the gears with the easy, silent kind of finger-tip shift that high-priced cars use.

**90 HORSEPOWER  
—V-8 SMOOTHNESS**

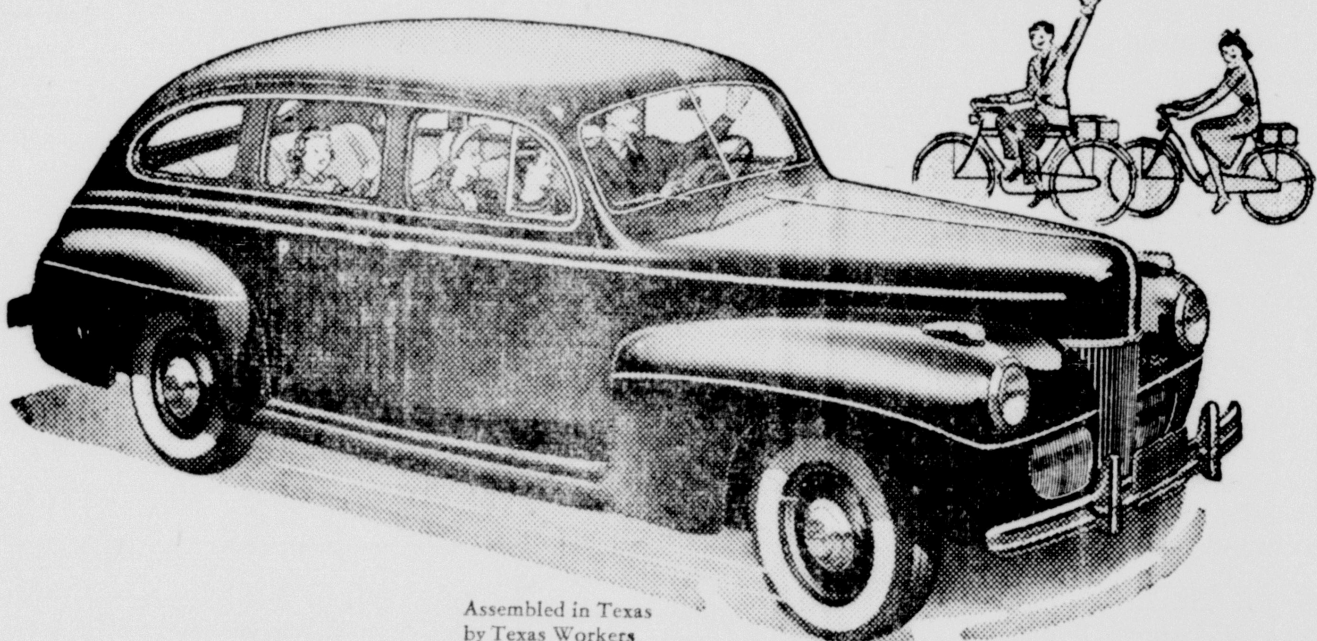

### FORD HAS THE QUALITY FEATURES

**V-8 POWER.**—90 smooth horsepower—There never was a low price engine like this before.

**NEW BEAUTY.**—When you look at the smooth flowing lines you see one of the few cars with really up-to-date styling this year.

**A NEW RESTFUL RIDE.**—On the new Ford "Slow Motion Springs." A soft, quiet ride wholly new this year.

**EXTRA VALUE.**—New ease of control with positive mechanical, fine-car type shift—extra-big hydraulic brakes—and the famous Ford semi-centrifugal clutch.

Assembled in Texas  
by Texas Workers

last month, many young men of 17 have taken advantage of this opportunity of enlisting in the Marines. However, Major O'Leary pointed out, while many more would like to enlist, their parents will not sign their consent papers, which is required for men who have not reached their 21st birthday. This is understandable, the Major said, but it is still a fact that the young fellows make the best soldiers. The parents of all young men who are interested in the Marine Corps, are particularly invited to visit their nearest Marine Corps recruiting station and let the recruiting officer explain the many advantages offered.

An unlimited number of vacancies

still exist for enlistment. Marine Corps recruiting stations in the Dallas District are located in Dallas, Abilene, Fort Worth, Tyler, and Waco, Texas.

Miss Joyce Hudson is attending the Assembly of Young People of the Methodist Church this week in McMurry College, Abilene.

Rev. H. E. East attended the meeting of the Pastor's Evangelistic Association in Fort Worth this week.

Most ugliness is unnecessary because it is an expression of disorder, uncleanness, and shiftlessness, all of which can be corrected.

Behind the cloud the starlight lurks;  
Through showers the sunbeams fall,  
For God, who loveth all his works,  
Has left hope with all.  
—John Greenleaf Whittier

## You Bet Old Man Is Looking Ahead

(Editorily By B. P.)

On this page is "Old Man Texas," and when Old Man Texas fails to look ahead, Texas will begin to swivel up and die.

All the worthwhile things Texas have come from the good earth. Way deep in the earth is a product which today is the liquid that peace as well as war depends upon. But again we say, everything must come from the good earth, and after you pass the foods level, we build up industries with various minerals, and our needs run through the long list with many of them right here in good old Texas.

Texas can produce more of much of everything nearly than can be disposed of profitably in peace time. Texas people are not blighted by misuse. Everything in Texas belongs to the present and future populations, and nothing can be done well unless somebody looks ahead.

Every industry, even the most common, farming, requires some capital investment. So when money and men keep on working hand-in-hand, populations will keep on growing and continuing happy and contented. Texas people must watch their "balance" and that means more than bank balances, too.

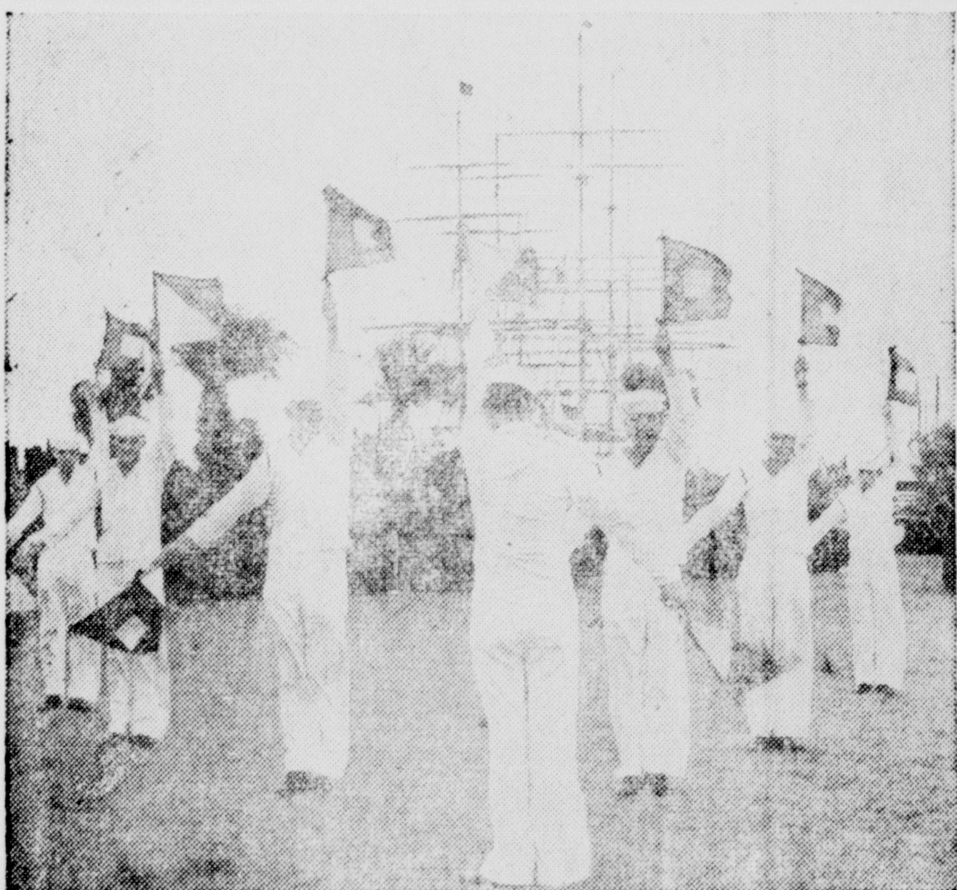

No community can escape the evils of misused planning. In Hamlin, and all similar communities in Texas, the "Road Ahead" is made secure and safe only by sound planning. The fellow who looks no further than tomorrow will likely always be expecting some miracle to "turn up tomorrow". He who rides the long roads over plain and valley in Texas and does not see the opportunities and vision the chances for uncounted thousands yet to build up in Texas, we say, that person fails to see beyond the mere tomorrow.

Look at the "map", but no small map can picture what Texas really has.

Miss Melvina Bullard of Arlington is visiting her friends in Hamlin. She formerly lived here.

The Herald anywhere 1 yr. \$1.00

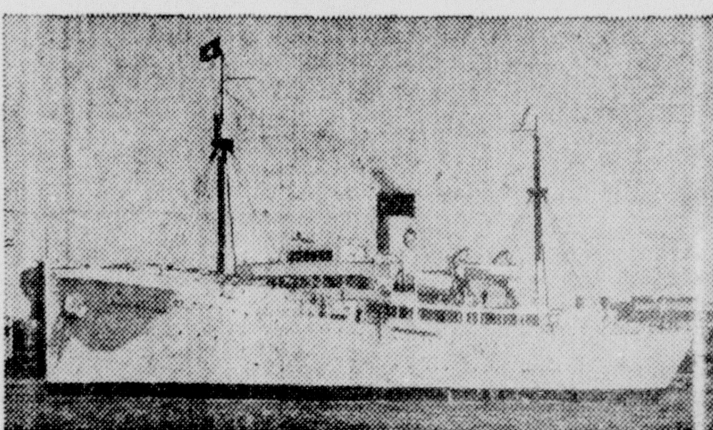

## U. S. TRAINS YOUTHS FOR SEA

The United States Maritime Service is meeting the threatened shortage of skilled merchant seamen by training youths who have had no previous seagoing experience. Young American citizens in good physical condition 18 to 23 years of age are being enrolled for a seven months' course of instruction in the duties of the deck, engineers, and stewards departments. Enrollees are paid \$21.00 monthly; clothing, food, and quarters are furnished by the Government.

The training course qualifies these young men for jobs on American merchant vessels where pay starts at \$72.50 a month with food and quarters furnished.

For detailed information write to U. S. MARITIME SERVICE, WASHINGTON, D. C.

# Clubs-Society

## Mrs. J. G. Whaley Hostess to Club

The Friendly Neighbors Quilting club met Wednesday, May 28 in the home of Mrs. J. G. Whaley, with ten members present for a covered dish luncheon, and two coming in the afternoon. Two quilts were completed.

In a business session the secretary reported a total of 25 quilts made since organization of the club and as this meeting closed, the quilting schedule plans were made to meet a few afternoons through the summer for miscellaneous sewing, beginning Tuesday, June 17th, with Mrs. C. L. Adams as hostess.

## Honored With Party

On Wednesday evening, May the 28th, Mrs. Weldon Johnson and Miss Clydene Wilson were co-hostesses at the latter's home, with an informal party honoring a recent bride, Mrs. James Beck of Snyder, and two brides-elect, Misses Geneva Albritton and Elmo Joy Wilson.

The guests hemmed cup towels, which were later presented to the honorees. Pineapple sherbet and angel food cake were served.

Invited guests were: Mmes. Thomas Ferguson, Kurt Schoemann, R. H. Campbell, J. D. Greenway of Fort Stockton, Don Dean, Arlie Cassle, Henry Albritton; Misses Nadine Morgan, Pauline Harrell, Camille Smyers, Mary Beth Moody, Elsie Wienke, and the honorees.

## Margueritte Nobles Presented In Recital

Margueritte Nobles, daughter of Mrs. Vera Nobles, was presented in senior speech recital by Mrs. Heflin Miller, Sunday afternoon, at 4:00 o'clock in the High school auditorium. Miss Nobles is a member of the Hamlin High school graduating class this year, and during her high school career has been prominent in dramatics. She has been a pupil of Mrs. Miller for nine years.

For her program Sunday afternoon she read Alice Duer Miller's book, "The White Cliffs." She is pleasing in her stage manner and clear and effective in her interpretation. She was assisted on her program by Twila Ruth Smith, of Anson, and Herbie Faye Johnston, pianists, and Louise Whiting, of Abilene, dancer.

An artistic arrangement of spring flowers with colors of red and white predominating formed an attractive setting for the reader, who wore a frock of white net over white taffeta is a flowing skirt. She wore a corsage of red gladioli, a red ribbon in her hair and red slippers.

As guests arrived at the school building they were invited into the entrance hall by Phala Davis and Joyce Hudson, who directed to the table where Marion Martin and Ruby Herr served punch. Programs were given by Maxine Poe and Ethel Belle Neal. Ushers were Betty Lou York and Hope Cade.

Out of town guests attending the recital were Margueritte's brother, Warren Nobles, and her uncle and aunt, Mr. and Mrs. W. H. Collins of Brownfield; Mr. and Mrs. Earl Smith and Mr. and Mrs. Pittard, of Anson, and Mrs. Whiting of Abilene.

## Miss Elmo Joy Wilson and John D. Ferguson Recite Wedding Vows

In a twilight ceremony Sunday evening at seven o'clock, Miss Elmo Joy Wilson, daughter of Mrs. E. M. Wilson, became the bride of Mr. John D. Ferguson, son of Mr. and Mrs. S. C. Ferguson. The ceremony was read by the Rev. James E. Harrell, pastor of the Methodist church, in the home of Mrs. J. F. Taylor on Central Avenue, where the bride's mother is making her home. Only relatives and a few intimate friends were present.

The wedding vows were recited before an improvised altar in front of the fireplace. White stock banked the mantel and white tapers on either end were lighted by Mrs. James O. Beck, a May bride, and Miss Geneva Albritton, bride-elect, whose marriage will take place Saturday, June 7. Madonna lilies and lilies of the valley were used to decorate the house.

Preceding the ceremony Miss Clydene Wilson, cousin of the bride,

sang "Oh Promise Me." Mrs. Earl Powell, of Stanton, aunt of the groom, played her accompaniment and also the wedding music.

The bride wore a dress of white starched lace with fitted bodice and flowing skirt, her veil of white illusion was held with a coronet of gardenias and lilies of the valley. She carried a bouquet of gardenias showered with lilies of the valley.

Her mother, Mrs. E. M. Wilson, was her matron of honor. Thomas Ferguson, brother of the groom, served as best man.

Following the ceremony a reception was held with the bride cutting the first slice of the white three-tiered wedding cake, presided over by Mrs. J. F. Taylor. Mrs. Weldon Johnson and Miss Camille Smyers served punch from a table covered with a venetian cut work cloth and lighted with tall white candles in crystal holders. Madonna lilies decorated the buffet which was also lighted by white candles.

After a brief wedding trip to San Antonio and other south Texas cities the couple will make their home in Hamlin.

For traveling the bride wore a suit of aqua green crepe with gold emblems and white and tan accessories.

Both Mr. and Mrs. Ferguson are graduates of the Hamlin High school. He attended A. & M. College, and for several years has been engaged in farming and ranching.

Mrs. Ferguson is a graduate of N. T. S. T. C., Denton, and for the past three years has been a teacher in the Home-making department in the Sweetwater Junior High school.

## Birthday Celebrated

Mrs. Elma White assisted by Mrs. W. R. Smith entertained her little daughter, Elizabeth Ann, with a party Saturday afternoon, celebrating her third birthday.

After a delightful hour of play the lovely pink and white birthday cake was served with ice cream. Favors were pink and white balloons.

Those present were:

Lusara Dean, Toby Sellers, Shirley Smith, Betty June Taylor, Mary Beth Bowman, Margaret Ryan, Dorothy Faye Altum, Adele Altum, Beckie Bowman, Anita Smith, Patsy Powell, Emma Powell, Anette Smith, Doyle Dean, Douglas Thorpe, Robert Bonner, Don Thurman, Jack Bowman, Thurman Kimmey, Charles Smith, Hubert Grubben, Mrs. Kimmy, Willie B. White, Evelyn Bowman, Mrs. G. G. Bowman, and Mrs. J. B. Bowman.

## Shower Given For Bride-Elect

Miss Geneva Albritton, bride-elect of Mr. Leon Thurman of Anson, was complimented with a gift tea hosted by Mmes. Tate May, W. C. Russell, Arlie Cassle and Weldon Johnson, in the May home, Saturday afternoon, May 31st.

Mrs. Russell greeted guests at the door and presented them to Mrs. May, who presented the honoree and her mother, Mrs. W. A. Albritton.

Mrs. Cassle directed guests to the dining room where Miss Elmo Joy Wilson and Mrs. Weldon Johnson served punch. Others assisting in the dining room were Mrs. Holly Toler, and Miss Nadine Morgan. Miss Mary Beth Moody presided at the register and Little Miss Suzanne Toler presented thank you cards as good-byes were said by Mrs. C. C. Prater.

Others in the house party were Mmes. H. O. Cassle, M. P. May, Delia McIntosh and J. W. Ezell.

During the calling hours, music was furnished by Miss Maxine Brundage and Mrs. Jack Russell.

The appointments in the dining room were in pink and white, the table being laid with a cut work cloth. Sweet peas, fever few and fern formed a large wedding ring around the crystal punch bowl which was flanked with crystal candelabra holding pink and white tapers.

Individual cakes decorated as bridal bouquets with a fluted ruffle and ribbon streamers were served with mint punch.

## Miss Ruby Herr

### Sub-Deb Club Hostess

Miss Ruby Herr was hostess to the Sub-Deb Club in her home Tuesday afternoon.

Summer flowers decorated the entertaining rooms where guests

heard a short program and spent a pleasant social hour.

The hostess, assisted by her mother, Mrs. Edd Herr, served an attractive refreshment plate holding fruit ice and cake.

Guests present were Herbie Faye Johnston, Joan Culbertson, Billie Faye Rountree, Hope Cade, Phala Davis, Sara Jo Holder, Betty Abbott, Maxine Poe, Margueritte Nobles, and Melvina Bullard, of Arlington; Mrs. Sam Cade and Mrs. Frank Waggoner.

## Honored With Party

Mr. and Mrs. Frank Waggoner entertained in their home, Thursday evening, May 29, with a party, honoring Miss Elmo Joy Wilson and Mr. John D. Ferguson, whose marriage took place Sunday evening, June 1st.

A color scheme of pink and white was emphasized in decorations and all appointments. Dorothy Perkins roses, Madonna lilies and Queen Anne's lace were used throughout the entertaining rooms. Across the double doorway between the living room and dining room was an arch of pink and white flowers from which small silver wedding bells were suspended, forming a setting for the honorees' table.

Entertainment for the evening consisted of games of bridge, bingo, and 42 and dancing.

Delicious home-made ice cream and cake were served as refreshments. Those present were Misses Elmo Joy Wilson, Geneva Albritton, Elsie Wienke, Pauline Harrell, Edwina Gilbert, Mary Beth Moody, Jean Conroe and Camille Smyers; Messrs. John D. Ferguson, Forrest Greenway, Leon Thurman, Ray Willingham, W. L. Boyd and Jimmie Simmons; Mrs. Gerald Morgan and Mrs. J. D. Greenway; Messrs. and Mmes. Thomas Ferguson, Henry Albritton, Travis Dean, Weldon Johnson, James O. Beck, W. H. Eyssen, Jr., Perry Sparks, Holly Toler, Art Carmichael and Arlie Cassle.

## Morning Coffee Honors Miss Geneva Albritton

Miss Geneva Albritton whose marriage to Mr. Leon Thurman, of Anson, will take place Saturday, June 7, was honored with a coffee Tuesday morning in the home of Mrs. Holly Toler on Central Avenue. Co-hostesses with Mrs. Toler were Mrs. C. C. Prater, Mrs. J. W. Ezell and Miss Nadine Morgan.

For the occasion the living room was decorated with Picardy gladioli with blue figurines in crystal floating gardens. On the mantel were antique vases holding tall sprays of hollyhock, and on the register table were vari-colored sweet peas in an aqua blue bowl.

The dining table, covered with a white imported cut work cloth, was appointed in silver. At one end was an oval silver bowl filled with white stock and pink roses. At the other end was the silver coffee service. An arrangement of sweet peas and baby's breath centered the buffet.

Guests were welcomed by Mrs. Toler and presented to the honoree Miss Albritton, who was wearing a dress of navy sheer with a pink pique rose on the left shoulder.

Mrs. Prater directed to the dining room where Mrs. W. A. Albritton poured coffee. Assisting in serving were Miss Nadine Morgan and Mrs. Henry Albritton. Mrs. J. W. Ezell had charge of the bride's book where guests were asked to record a favorite recipe.

Calling hours were from nine until eleven.

## Lawn Party

### Honoring Art Class

Mrs. S. W. Cade honored her Art Class with an open air program and lawn party at her home on Lake Drive, Thursday afternoon, from four to six o'clock.

In the receiving line were Miss Peggy Knutson and brother Monte, the guest artists from Stamford, and Misses Winnie Faye and Gamile Hassen, Ida Frances Robertson, Edyth Armstrong, Gertrude Eckler and Bruce Proctor, who presented hand-drawn tickets to the "show."

Gertrude Eckler, Ida Frances Robertson and Bruce Proctor, produced the free-hand sketches on the tickets.

Misses Hope Cade and Selma Hassen served punch.

The chief attraction for the occasion was a Marionette Show by Monte Knutson, assisted by his sister, Peggy, opening with a song, "Apple Blossom Time," followed by "Carry Me Back to Old Virginny," Clippo, the Clown, Little Sleepy Head, Lucifer, Old Rocking Chair, Old Black

Joe . . . all of these numbers were acted by Marionettes in the nimble fingers of Monte Knutson and his sister. They ended their program by singing "The End of a Perfect Day."

## Harold Johnson Weds Chicago Girl

An April marriage of interest to local people is that of Harold Johnson, son of Mr. and Mrs. T. E. Johnson, of Hamlin, and Miss Jeanette Jager, daughter of Mr. and Mrs. P. S. Jager, 1634 North Keeler, Chicago, Illinois.

The ceremony was performed Saturday evening, April 12, by the Rev. Grant Butler in St. Paul Congregational Church. It was a candle light service with decorations of ferns and lilies. The bride wore a satin velveta gown with long sleeves and train. She wore her mother's net finger tip veil, which was 28 years old, and her mother's lavalier. She was attended by her sister-in-law, Mrs. William P. Jager whose gown of satin velveta was cut on the same lines as the bride's. Mark

## Boyd Chapel 4-H Club

Boyd Chapel 4-H Club met at the home of Mrs. Wilson, May 28. We have nine members in our club. We had to make an apron, bonnet, and luncheon cloth.

Hilda Joyce Hubbard, president. Yvonne Young, vice-president. Wanda Faye Bingham, secretary. Katherine Bristow, reporter.

Our next meeting will be June 10, at Miss Yvonne Young's home.

Katherine Bristow, Sec'y.

# WHAT'S YOUR SCORE ON THIS QUIZ ?

Like to know more about Your Electric Servant? Run through this quiz . . . it's full of facts and explains why Electric Service is GOOD . . . and CHEAP . . . in West Texas.

Q. How much more light do you get for your money now than you got 10 years ago?

A. You get, for about the same money, two or three times as much Electric Service as you did then. And bulbs today give about twice as much light with the same amount of electricity. Twice as much service for twice-as-good bulbs means four times as much light for your money!

Q. How much per day do most families spend for electric service?

A. The majority of our customers pay us less than 10 cents a day (the cost of a shoe shine or a good cigar), using, say, lights, vacuum cleaner, radio, toaster, and refrigerator.

Q. What do you say to a husband (or wife) who fusses at you for letting a 100-watt light burn all night?

A. "Don't get excited, dear. Believe it or not, it costs only about a nickel—and maybe it scared a burglar away!"

Q. Who owns Your Electric Servant?

A. You do. Every family who has a bank account or a life insurance policy is part owner. The money you put in the bank, or pay to an insurance company, is invested in various businesses, including electric utilities. This makes you one of the millions who have a stake in the American system of private initiative and enterprise.

Q. Just how dependable is electric service in West Texas?

A. Equally as good as any in the nation! And better than in any foreign country!

Yes, electric service has constantly improved and rates have steadily gone down. Remember that this BETTER SERVICE at LOWER COST to you has been brought about by our trained and experienced organization of over 1,000 men and women, working under a system of private initiative and enterprise . . . the only kind of system ever to bring better living conditions to ALL the people.

## West Texas Utilities Company

### HERE'S THE OFFER

Send your old electric bill to our nearest local office. If yours is the oldest we receive by June 15, it is worth \$50 to you—if one of the 10 next oldest, we will pay \$5 for it. It must be for service in the home, dated 15 or more years ago, and must be accompanied by a letter, 100 words or less, telling something about the kind of service and the cost at the time the bill was paid. All present customers of the West Texas Utilities, or its predecessors in this community, (excepting employees) are eligible.

## POT SHOTS FROM McCAULLEY

BY GEO. DARDEN

A picnic at the Hamlin Park, honoring Covell Myers and Grover Morrison of Memphis, Tenn., was enjoyed by the Jack Miles family of Hamlin, the John Miles family of McCaulley, the Carroll Lees of McCaulley, and Iris Dean of Hamlin. After lunch at the park, the party went to the west lake for swimming and boating.

Bud Lee spent last week in Abilene with his sister, Mrs. John Reynolds.

Covell Myers, a nephew of Jack and John Miles have visited in this vicinity for a week, and a friend, Grover Morrison, accompanied Mr.

Myers on the trip to Texas. Both boys are employed at the Ford plant in Memphis.

Mrs. J. F. Drennan is visiting her parents, Mr. and Mrs. J. Britt, of Welch, Texas.

Mr. and Mrs. Roy Brown and daughter, June Ann, Mrs. Carroll Lee and daughter, Faye, were shopping in Abilene last Tuesday.

LaVerne and La Vena Sue Maberry are visiting a brother, Clinton Maberry and family in Dallas for a week.

Miss Gertie Mason was shopping in Sweetwater one day last week.

Howard Miers and Bill Maberry of Lamesa were visiting relatives and friends in McCaulley over the week end.

The oil well on Dick Maberry's farm, one mile south of town swabbed one hundred and fifty one barrels in twelve hours last week. The well is to be put on the pump and is said to be the best well in this vicinity.

Drilling is under way on the Fancher No. 1 and if no bad luck, will be completed this week, and according to oil field gossip, it looks as if we are to have another good well.

Mr. and Mrs. W. C. Jackson visited their son, Stanley, in Abilene last Sunday.

Buddy Boyd, son of Mr. and Mrs. Louis Boyd, is attending Abilene Christian College this summer.

Johnnie James Maberry and Marvin Davison went to Houston last week. Johnnie has a job there on a defense project.

What is news today, is history tomorrow. The island of Crete has fallen to the Germans, Senator Houston takes the oath of office, and Governor W. Lee O'Daniel opens his campaign for U. S. Senate in Waco. And wasn't it a pity that it rained out his jazz band? We did expect to hear "Play it pretty Leon."

Mrs. Doc Carter of Crosbyton, a daughter of Rev. and Mrs. C. E. Dick, is visiting in the Dick home for a week.

C. E. Dick Jr. is visiting his sister, Mrs. Frank Moore near Crosbyton.

It's berry picking time in Texas, and from the looks of the foot prints in J. I. Parker's berry patch, there is going to be a lot of jelly and jam in this community.

From the reports that we gather from salesmen and people that tour the State, it looks as if Martin Dies is gaining support by leaps and bounds.

Norman Shafer, a young preacher from Sweetwater, filled the pulpit at the Baptist church Sunday morning and Rev. Johnson did the preaching Sunday night.

Bobby Fail spent Sunday with his parents, Mr. and Mrs. H. C. Fail.

Several people from our community attended the Baccalaureate service and Commencement exercises at Hamlin, Sunday and Monday night.

Mr. and Mrs. H. C. Hodges spent the week end in Merkel visiting his parents.

Miss Viva Milstead returned home last week from her school in Sanora.

Mr. and Mrs. Davis, of Snyder, were Sunday visitors in the home of Mr. and Mrs. Lester Wood.

Mr. and Mrs. Clinton Maberry of Dallas spent the week end with her parents, Mr. and Mrs. J. P. Cornelius. Miss Robbie Cornelius, of Seymour, spent Sunday with her parents.

Bobbie Crow returned home last week from Lubbock where he has been attending Texas Tech.

Mr. and Mrs. L. F. Cozzen and Starkey of Tulia, came to attend the graduation exercises of their daughter, Virginia. They came Friday and returned home Tuesday after visiting their children and other friends.

Mrs. J. E. Killen and John Edd of Rotan spent Monday with Mr. and Mrs. Albert Haught.

Mr. and Mrs. Edd Rogers and family of Hamlin spent Sunday with Mr. and Mrs. Theron Bingham.

Mrs. Bobbie Patterson of Yuma, Arizona, came over Monday to visit her parents, Mr. and Mrs. J. L. Beavers and sister, Mrs. Kenneth Scott and family.

Quoting from Congressional record the extension remarks of Hon. Sam Russell, in the House of Representatives, April 1, 1941: "Are the people who are responsible for these strikes Americans? In many instances, I would say they are not. It has been reported, and I believe reliably so, that many of those responsible for these strikes are Communists, 'fifth columnists', and others who are opposed to our form of government."

A National Emergency has been declared by the President, and is it now the duty of every American citizen who loves our country, to insist and demand that national defense strikes must halt? Must our army, navy and airmen drill and train without the necessary equipment all because the C. I. O. wants a two or three cent per hour raise in salary? How many of the members of C. I. O. unions will trade their jobs for a job in the army at \$21.00 per month? Why were New York Jews and Waps sent to Camp Wolters, Mineral Wells, Texas, to do the plumbing for that camp when

hundreds of Texans sat in the bullpen waiting for a chance to work? Was it because the New Yorkers were members of the C. I. O. or A. F. of L.? (We are reliably informed that this was the case). We say that every man should have the right to work, skilled or unskilled, union or non-union, and as long as the masses sit on the fence and watch John L. Lewis dictate the terms of labor, then so long will our country be short of guns, planes and ships.

Action speak louder than words, and when we go to the polls to cast our vote for a United States Senator on June 28, let us vote for the man that is already experienced in the art of government, and a man who fights for the rights of Americans, and the man who believes that the "fifth column" should be booted in the deep blue sea. As Walter Winchell said: "We do not need new leadership in the White House."

A DARDEN-O-GRAM

### Hitson H. D. Club

"Water is the most necessary and useful thing around the home and yet in many cases little attention has been given to make the water supply convenient," quoted Miss Jewell Hipp, H. D. agent in "Water Works for Texas Farm Homes," in a meeting with the Hitson H. D. club, which met in the home of Mrs. Morris Jean, Thursday, May 29th.

Miss Hipp said that a water system need not necessarily be expensive. She suggested the use of pitcher pumps for homes with cisterns and elevated tanks may be made useful when there is power, such as a windmill, to pump water. She also exhibited two kinds of inexpensive sinks.

The next meeting will be in the home of Mrs. Virgil Jean.
